New Homes Come To Helsby

Cheshire-based developer Lancet Homes launched 50 beautifully designed, brand new homes at Mere's Edge in Helsby at the end of July. As well as an affordable starting price, all homes at Mere's Edge are available through the Help to Buy programme, via which the Government lends buyers up to 20 per cent of the cost of a new-build home. Situated in Helsby, Mere's Edge is less than two miles from the M56 and within walking distance of Helsby station, making it an ideal location for commuters to the North West's major cities. The first phase sold out immediately, with the new phase offering a further 50, two-, three- and four-bedroom houses – ranging from bungalows, semi-detached and mid-mews to detached properties, as well as 12 apartments.

Prices from £160,000 (0161 969 4919; meresedge.co.uk)

Take a Seat

If you, like us, you feel inspired and ready to embark on your own sewing/pottery/woodwork mission thanks to television's latest craft offering, but you're not quite sure where to start, why not enlist the help of Rachel Bates? The interior designer has just launched a bespoke upholstery service, which allows you

to design your own version of her Horatio carver dining chairs. The design team will guide you through the process, helping you to choose the perfect components and materials before whisking your creation off to the workshop, where skilled craftsmen will knock your chair into shape in just eight weeks.
