FROM NY TO CHESHIRE

Mottram St. Andrew-based Rachel Bates Interiors Ltd has launched a new collaboration as brand ambassador, retailer and distributor for the iconic American label Ciner, pioneers of the American costume jewellery industry.

Since 1892 and to this day each piece of jewellery is handcrafted by a team of artisans in their New York City studio. Their jewellery has adorned the rich and famous from Elizabeth Taylor (who seriously knew her jewels!) to Jennifer Lopez.

The launch, which took place last month, showcased a dramatic edit of the very best Ciner has to offer. This exclusive partnership will soon be enhanced with a Ciner and Rachel Bates exclusive collection and then a Rachel Bates own label jewellery and homewares collection.

The Ciner edit launched online in mid-September with weekly additions building the excitement since.
